Department of Transportation—Federal Aviation Administration
Supplemental Type Certificate

Number

ST00759AT

This certificate, issued to

R. T. Aerospace Corporation
P. O. Box 170938
Hialeah, Florida 33017-0938

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product—Type Certificate Number:

A35EU

Make:

Airbus

Model:

A300

Description of Type Design Change:

This modification will allow the installation of a 318 passenger interior in Airbus A300 Series aircraft in accordance with R.T. Aerospace Drawing No. RT-A300250.205, Revision "C", dated April 21, 1995, or later FAA approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the Administrator that the interrelationship between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
